European Tour 2024

The World of Hans Zimmer A New Dimension

EXTRA DATES IN AUTUMN 2024

Due to high demand for the European tour “The World of Hans Zimmer – A New Dimension,” extra dates will now follow. In addition to the arena shows taking place in spring 2024, the new tour will continue its journey through the major cities of Europe in autumn 2024.

The new subtitle “A New Dimension” already hints at this: Hans Zimmer is arranging a brand-new selection from his tremendously diverse collection of scores for “The World of Hans Zimmer – A New Dimension.” The audience will be taken on a unique musical journey and be immersed in completely new dimensions with two-time Academy Award® winner Hans Zimmer’s music: Powerful. Beautiful. Dramatic. Breathtaking. Strong. Touching.

The concert tour’s precursor, “The World of Hans Zimmer – A Symphonic Celebration,” first wowed audiences in Germany in 2018 and has since been on a triumphal journey around the world. Hans Zimmer himself will not appear live on stage in “The World of Hans Zimmer – A New Dimension” but will function as the show’s curator and musical director.

The magic of Hans Zimmer’s works will continue to conjure live for audiences in 2024, along with some of the world’s most outstanding and renowned soloists and a masterful symphony orchestra.

The “Hollywood Rebel” (as the BBC calls him) has created a glamorous, lively and exciting live experience of a very special kind with “The World of Hans Zimmer.”

Hans Zimmer’s extraordinary melodies and modern compositions captivate a huge worldwide fan base across generations. He has already energized countless international cinema blockbusters, including “Dune,” James Bond “No Time to Die,” “The Lion King,” “Gladiator,” “Pirates of the Caribbean,” “The Dark Knight Trilogy,” “Interstellar,” “Last Samurai” and “Top Gun: Maverick,” among others.

The double album “The World of Hans Zimmer – A Symphonic Celebration” was released in 2019 with Sony Classical.

Presented by Semmel Concerts, RCI Global & Tomek Productions.
